

[EDIT] Add Users to CMMC Enclave in Azure Portal

1 Navigate to <https://portal.azure.com/#home>

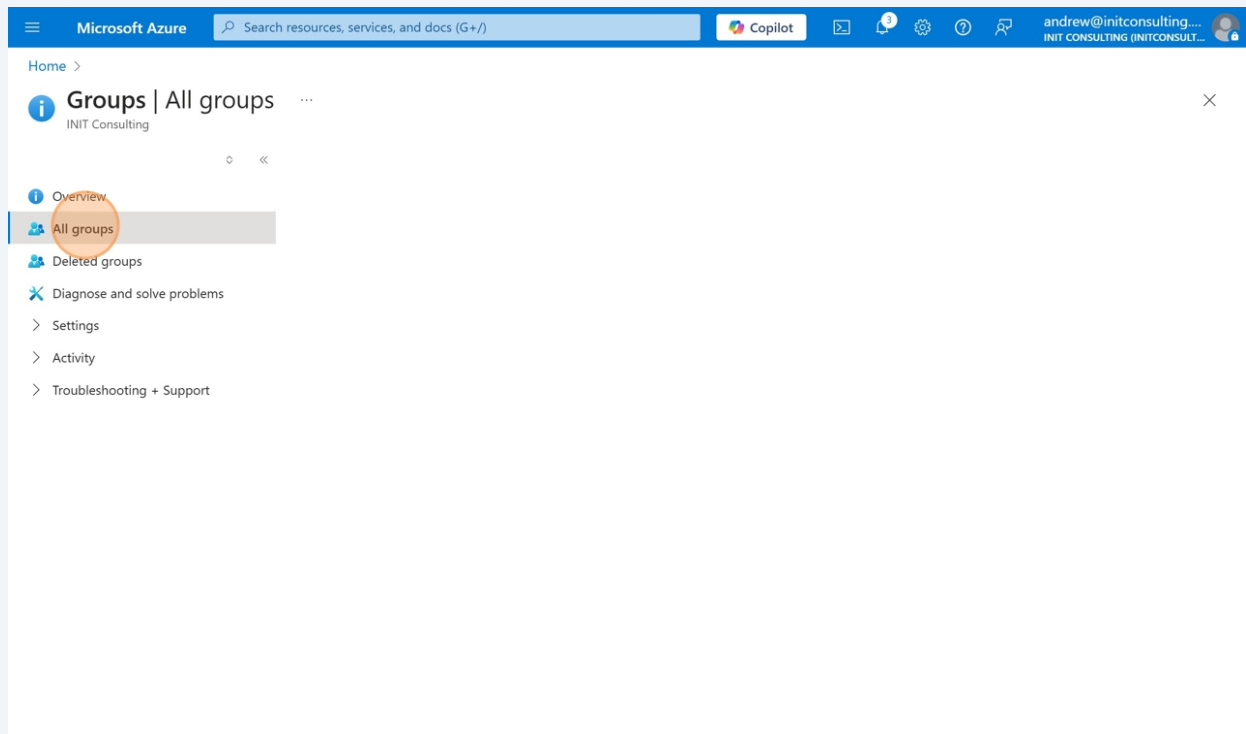

2 Click here.

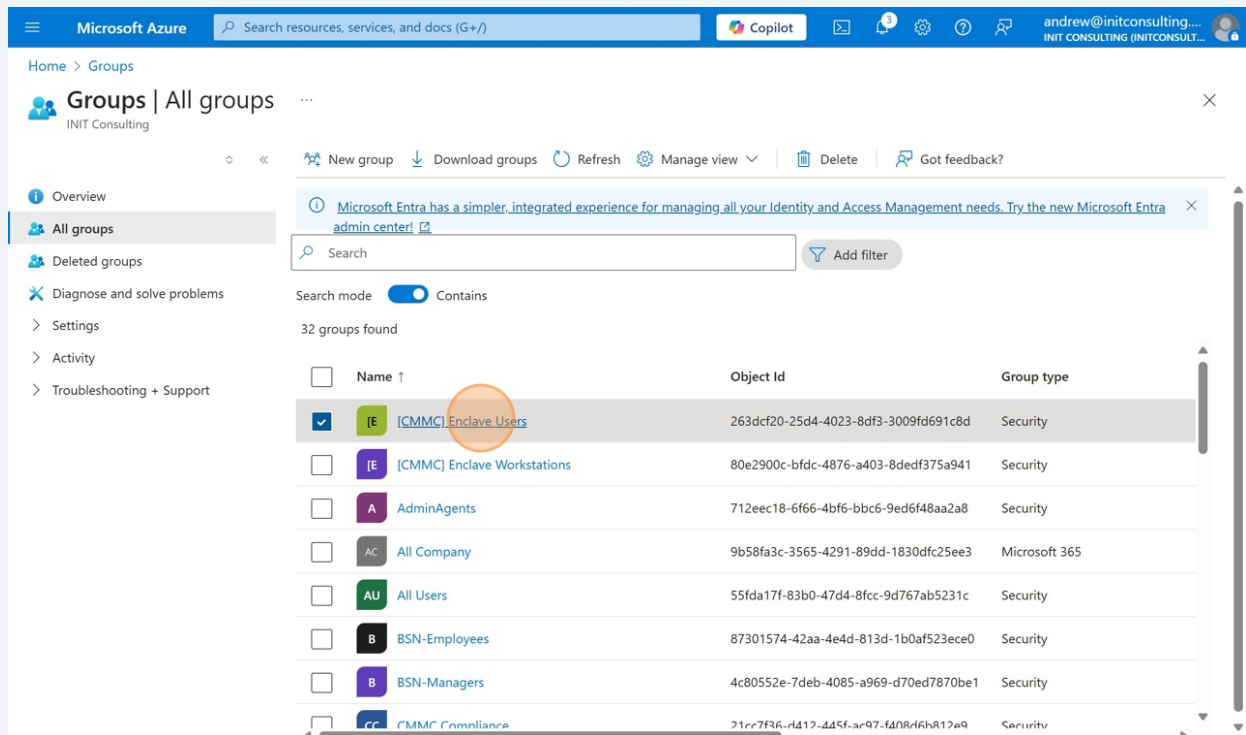

The screenshot shows the Azure Portal home page. The top navigation bar includes the Microsoft Azure logo, a search bar, and the user profile 'andrew@initconsulting...'. Below the navigation bar, the 'Azure services' section displays a grid of service tiles. The 'Groups' tile is highlighted with an orange circle. Below this, the 'Resources' section shows a table of recent resources.

Name	Type	Last Viewed
andrew-4961	Azure AI project	2 months ago
AzureSub1	Subscription	10 months ago
SentinelLogs	Log Analytics workspace	10 months ago
Sentinel	Resource group	10 months ago
INIT_Sentinel	Workspace	10 months ago
andrew_ai	Azure AI hub	12 months ago
rg-andrew_ai	Resource group	12 months ago
INITVM-2	Virtual machine	a year ago

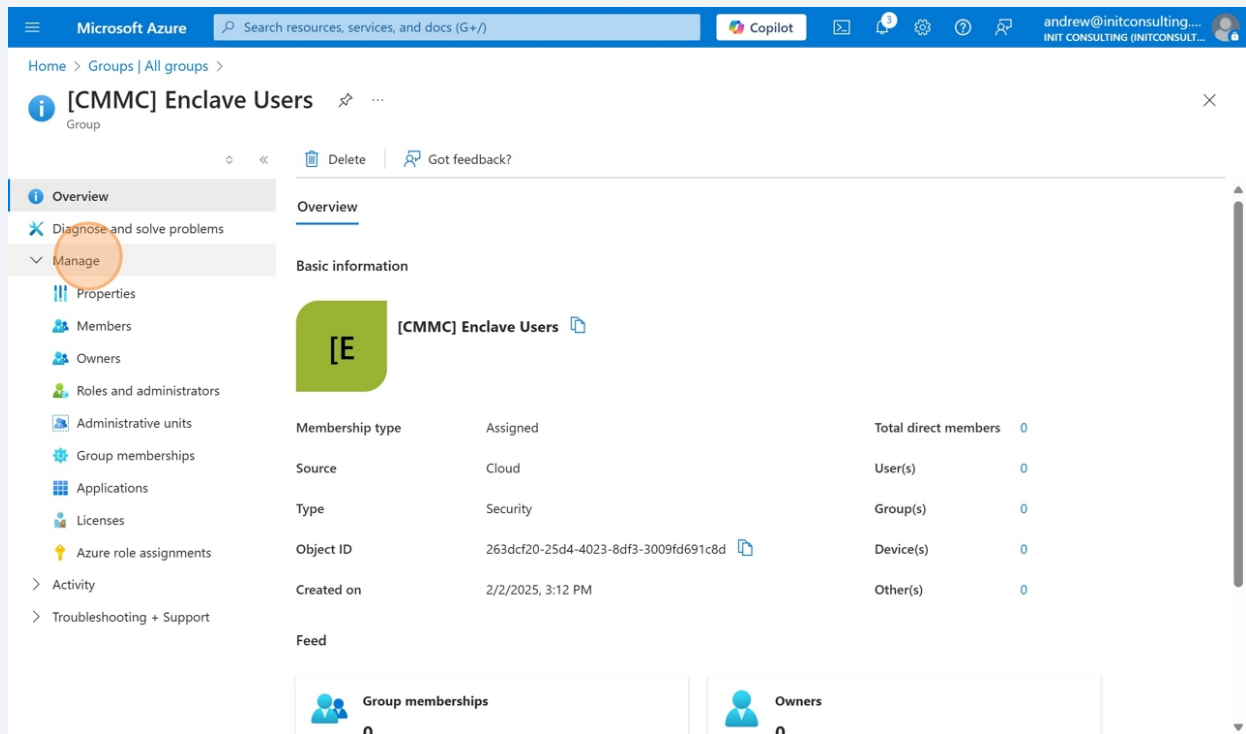

3 Click here.

4 Click "[CMMC] Enclave Users"

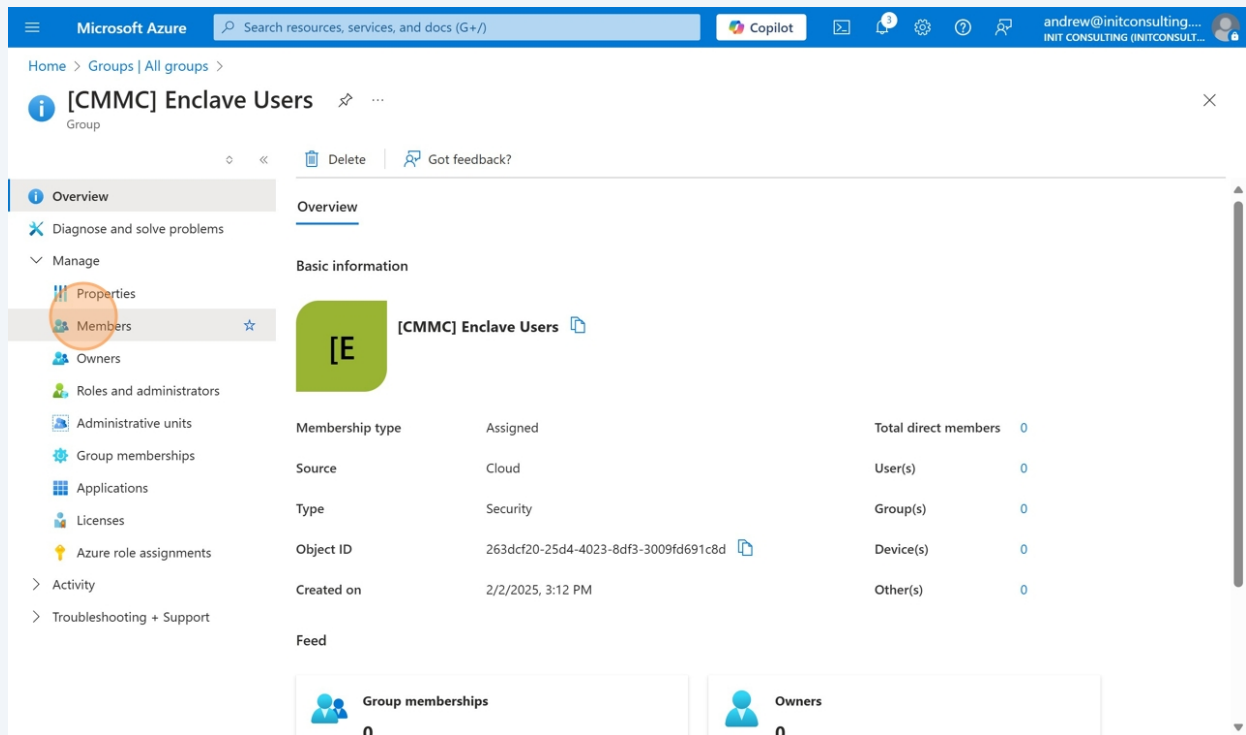

5 Click "Manage"

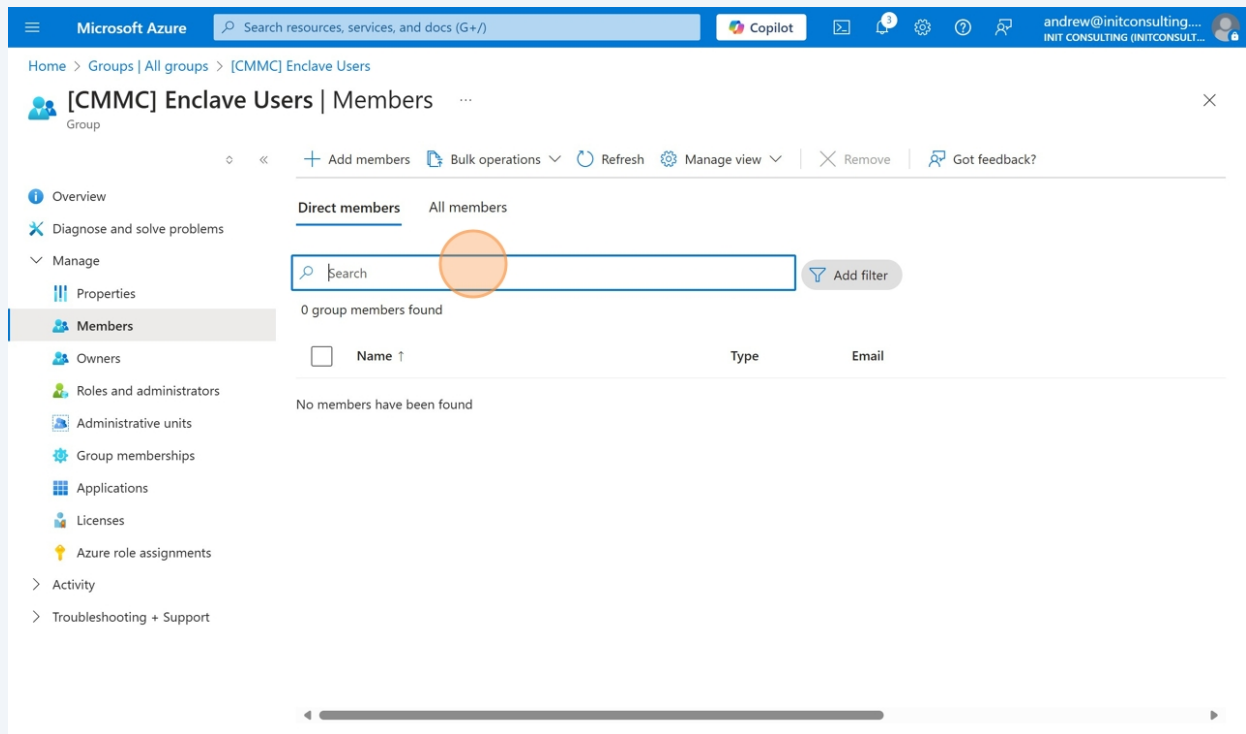

The screenshot shows the Microsoft Azure portal interface. The top navigation bar includes the Microsoft Azure logo, a search bar, and the user profile 'andrew@initconsulting...'. The breadcrumb trail indicates the path: Home > Groups | All groups > [CMMC] Enclave Users. The left sidebar contains a list of options: Overview, Diagnose and solve problems, Manage (highlighted with an orange circle), Properties, Members, Owners, Roles and administrators, Administrative units, Group memberships, Applications, Licenses, Azure role assignments, Activity, and Troubleshooting + Support. The main content area displays the 'Overview' page for the '[CMMC] Enclave Users' group. It includes a 'Basic information' section with details such as Membership type (Assigned), Source (Cloud), Type (Security), Object ID (263dcf20-25d4-4023-8df3-3009fd691c8d), and Created on (2/2/2025, 3:12 PM). A table on the right shows counts for Total direct members (0), User(s) (0), Group(s) (0), Device(s) (0), and Other(s) (0). At the bottom, there are two cards for 'Group memberships' and 'Owners', both showing a count of 0.

6 Click "Members"

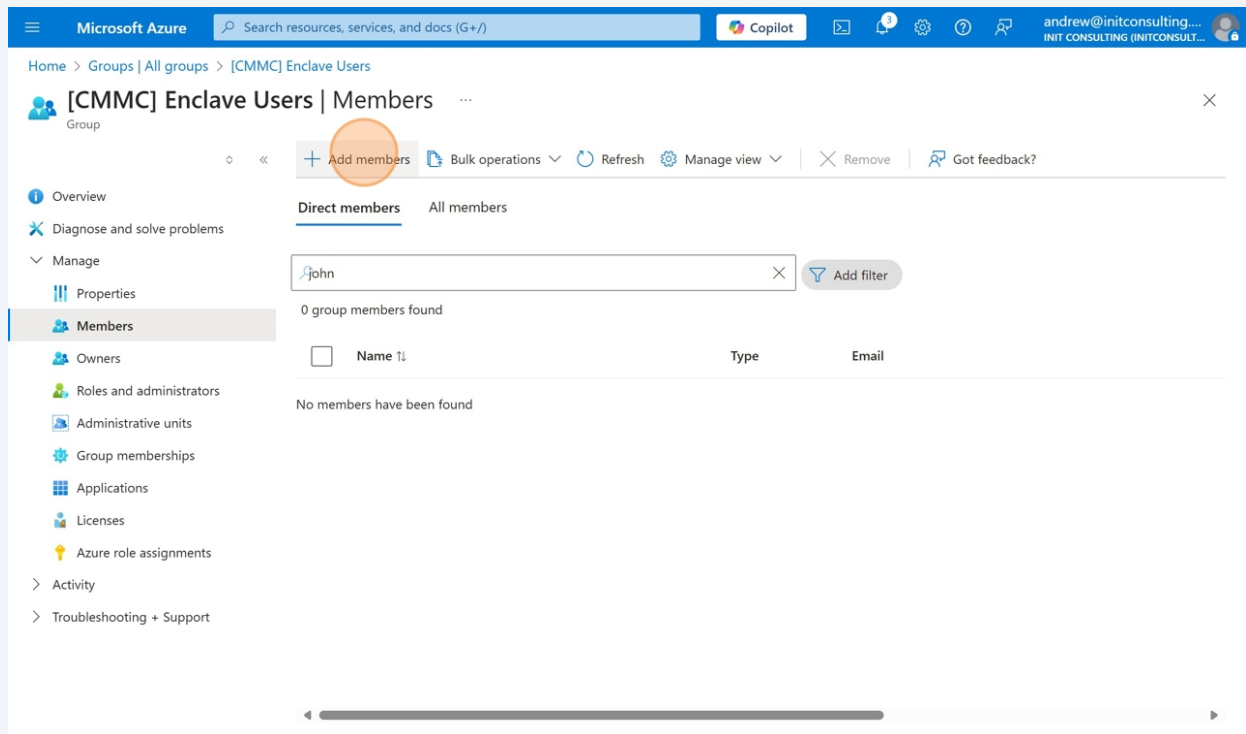

The screenshot shows the Microsoft Azure portal interface, similar to the previous one, but with the 'Members' option in the left sidebar highlighted with an orange circle. The main content area remains the same, displaying the 'Overview' page for the '[CMMC] Enclave Users' group. The 'Basic information' section and the table of counts are identical to the previous screenshot. The 'Group memberships' and 'Owners' cards at the bottom also show counts of 0.

7 Click the "Search" field.

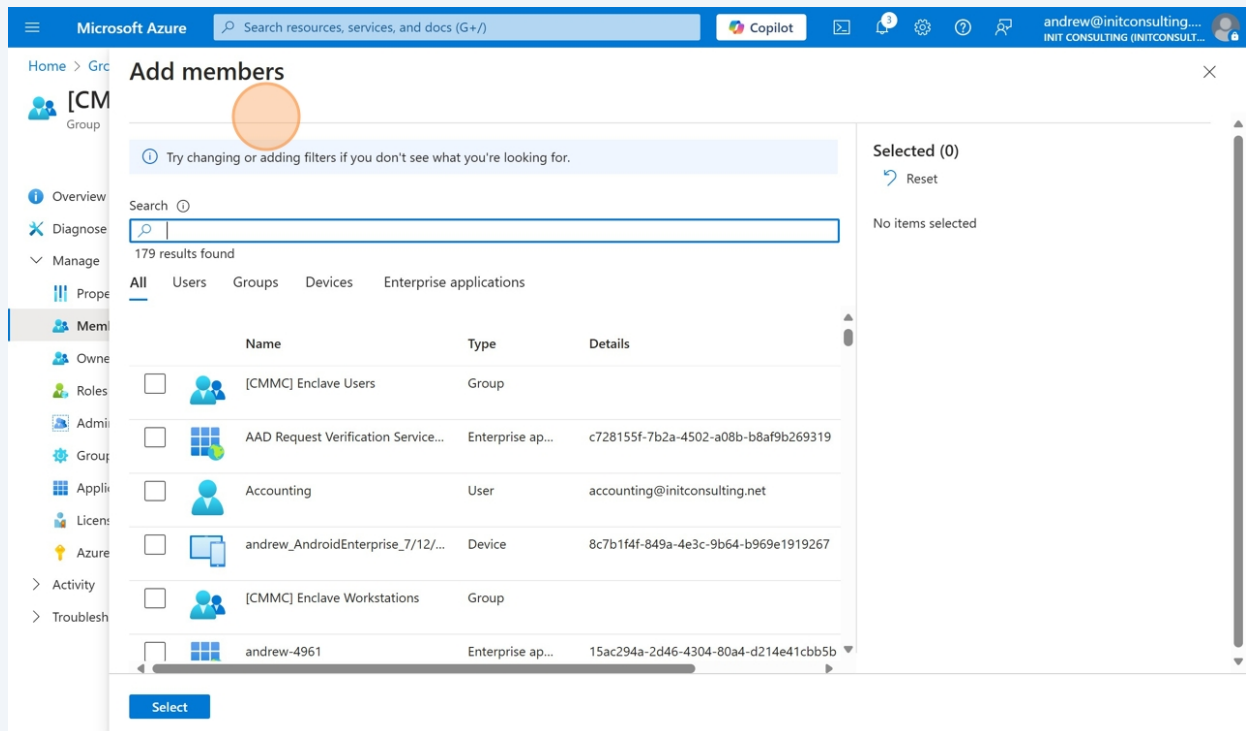

8 Type "john"

9 Click "Add members"

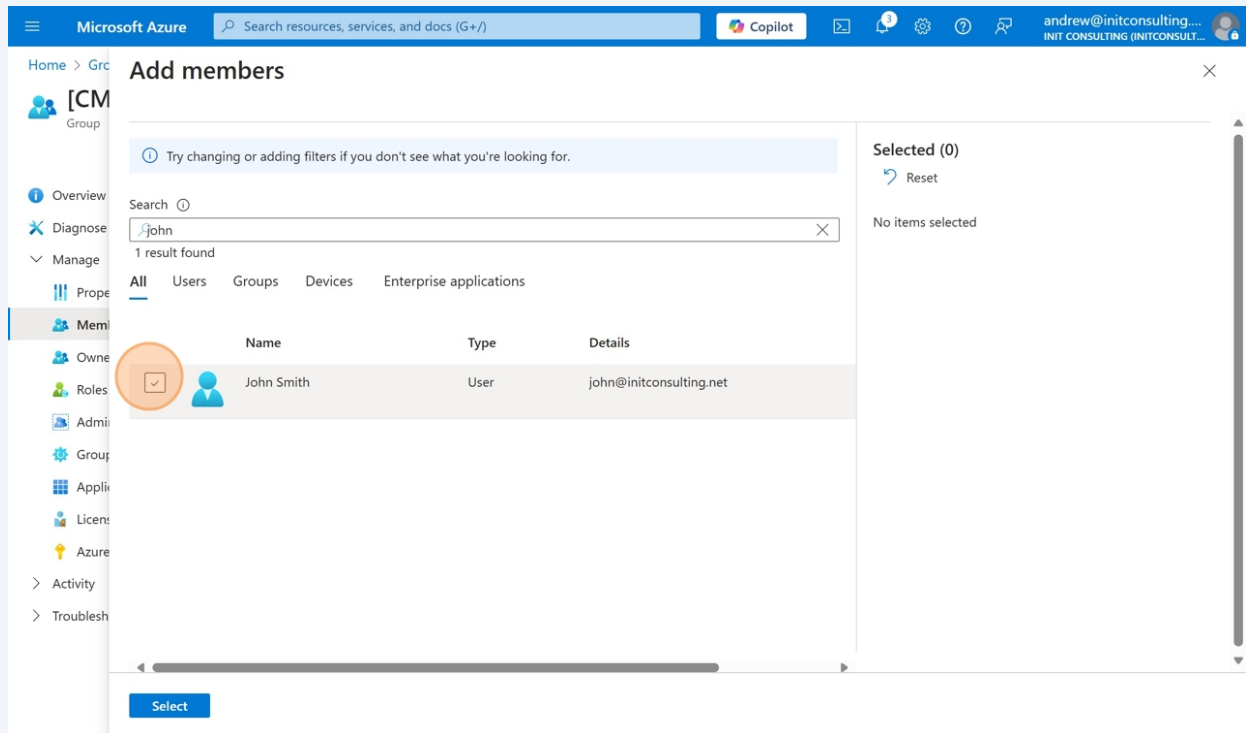

10 Click this field.

11 Type "john"

12 Click here.

13 Click "Select"

The screenshot shows the 'Add members' dialog in the Microsoft Azure portal. The search bar contains the text 'john' and indicates '1 result found'. The result is a user named 'John Smith' with the email 'john@initconsulting.net'. The 'Select' button at the bottom left is highlighted with an orange circle.
