

Download AutoElevate MSI

1 Navigate to <https://msp.autoelevate.com/dashboard>

2 From the AutoElevate Dashboard, click "Settings"

3 Click "DOWNLOAD" next to Agent MSI

The screenshot shows a dark-themed user interface divided into two main sections: 'General Info' on the left and 'Provisioning' on the right. The 'General Info' section contains a table with the following items:

Latest Admin Portal Changes	Changelog
Latest Agent Version	v2.9.5.0 - Changelog g
Agent MSI	DOWNLOAD
License Key	COPY TO CLIPBOARD
Ticketing System	START SETUP

The 'Provisioning' section on the right lists several metrics:

- Licensed Agents
- Bonus Agents
- NFR Agents
- Total Licensed Agents
- Agents In-Use (Active)

A red circle highlights the 'DOWNLOAD' button in the 'Agent MSI' row of the 'General Info' table.
