

Enable Per-User MFA for Azure Users

1 Navigate to <https://portal.azure.com/#home>

The screenshot shows the Azure portal home page. At the top, there are tabs for 'Recent' and 'Favorite'. Below them is a table of recent resources. The table has three columns: 'Name', 'Type', and 'Last Viewed'. The resources listed include 'andrew-4961' (Azure AI project), 'AzureSub1' (Subscription), 'SentinelLogs' (Log Analytics workspace), 'Sentinel' (Resource group), 'INIT_Sentinel' (Workspace), 'andrew_ai' (Azure AI hub), 'rg-andrew_ai' (Resource group), 'INITVM-2' (Virtual machine), 'INITAI' (Resource group), 'INITVM-2_group' (Resource group), 'VM' (Resource group), and 'INITTicketSys' (Language). Below the table is a 'See all' link. At the bottom, there is a 'Navigate' section with icons for 'Subscriptions', 'Resource groups', 'All resources', and 'Dashboard'. Below that is a 'Tools' section with various icons.

2 Click the "Search resources, services, and docs (G+)" field.

The screenshot shows the Azure portal interface. At the top, there is a search bar with the placeholder text "Search resources, services, and docs (G+)" and a "Copilot" button to its right. Below the search bar, the "Azure services" section displays a row of icons for various services: "Create a resource", "Groups", "Azure AI Foundry", "Microsoft Sentinel", "Monitor", "Resource Manager", "Microsoft Entra ID", "Storage accounts", "Security Baselines", and "More services". Below this, the "Resources" section is visible, with tabs for "Recent" and "Favorite". The "Recent" tab is active, showing a table of resources.

Users Service settings

Use multifactor authentication (MFA) to protect your users and data. Our recommended approach to enforce MFA is to use adaptive Conditional Access policies. [Learn more](#)

Before you begin, take a look at the [multifactor authentication deployment guide](#).

The image shows a document editor interface. On the left is a notepad with horizontal lines and a thicker grey line. On the right is a larger white area. At the bottom right of the white area, there are two buttons: 'Save' (highlighted with an orange circle) and 'Discard'. A blue magnifying glass icon is in the top right corner of the white area.
